Please provide a brief testimonial on behalf of Magnum Inspections Inc. (optional):

I performed an internet search for a local inspection company. After calling about four companies, the only one who spent the time to thoroughly explain the process and to ask specific questions (basically a free phone consultation) was Eric from Magnum. Even though it was after hours when I called Eric, he answered the phone professionally and took the time to listen to my needs. Upon meeting and witnessing Eric's work, I became even more impressed with the way he took the time to explain details of his findings to me and my family. After the inspection, I had some serious decisions to make. Eric was available to provide his expert advice on how to proceed with the repairs needed. We value Eric's service and will definitely be referring his services to friends and family. He was such a pleasure to work with.
